During the current COVID-19 restrictions on movement, Hope with Aston Parish Council urges residents in Hope and Aston to:

- Look out for your neighbours: be aware of a near neighbour who might need some help or support whether in a vulnerable group or just in need of some help.
- Visit the Hope Community 2020 Facebook page: <https://www.facebook.com/hopecommunity2020/> to request some assistance or offer yourself as a volunteer to help deliver essentials to those unable to leave their homes.
- Check our website here where we will post regular information updates.

Follow the guidance and stay safe and well.
